

Accommodation guidance

As per COST Rules, your daily allowance of 150 EUR covers local transportation, accommodation, and food.

During the conference, we will provide lunch for both days. When booking accommodation, we recommend staying in Old Town Cadiz (see map with venue marked with a yellow circle).

It costs 1.10 EUR each way to take the bus, which is reliable. Cadiz is a very walkable city.

Booking.com has been reliable in the past; we are also researching the options for student dorms and will update accordingly.

Below are a list of recommended accommodation.
